JESUS BECAME POOR FOR YOU TO BECOME RICH

11th August, 2026

2 CORINTHIANS 8:9 NKJ 9 For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that you through His poverty might become rich.

Most people know that Jesus became poor. They just don't know why.

Some people may tell you this verse refers only to being made "spiritually rich." Don't fall for that. Look at the context and you will see it is discussing money, financial and material blessings.

"Then why aren't Christians rich?"

The main reason is because of a lack of knowledge on this subject. Everything we receive from God must be received by faith. If we don't believe it, we won't receive it.

(Jesus died so that everyone could be saved. However, until people hear the message and believe it, they continue lost in their sins. Yet the price has already been paid by Jesus for their freedom.)

Instead of teaching that prosperity is a blessing available to believers, most churches have taught the opposite -- that it was the will of God for them to be poor.

What we need is to hear preaching and teaching about it being God's will for us to prosper. We need to continue in the Word on that subject, to be set free from poverty and lack.

I am NOT saying being prosperous makes you a better person, or that it is a sign of great faith. I AM saying that poverty and lack is part of the curse -- which Jesus redeemed us from.

God's prosperity is a growing thing that will not destroy you, unlike winning the lottery, or other get-rich-quick schemes. Time and continued obedience to God are required.

But the fact remains, according to Scripture, Jesus became poor to set you free from poverty -- to make you rich.

Prayer: Thank you Jesus for you have redeemed me from the curse of poverty, therefore I will be rich and have prosperity in the name of Jesus.
