DAILY DEVOTION HOPE UNTIL THE END

Pastor A.S.O Olaleye

5th June, 2025

LIBRATION HOUR

HEBREWS 6:11 NKJ 11 And we desire that each one of you show the same diligence to the full assurance of hope until the end,

This verse tells us we should never give up hope, which is a positive expectation.

No matter how many failures you experience, nor how much time has passed -- don't quit expecting a positive outcome in the end.

What is the end? It is when you see your desire manifest -- or when you see what should be your ultimate desire manifest, being face-to-face with Jesus Christ.

Till then, keep on having an expectation of a positive outcome.

Look at a couple of other translations of Hebrews 6:11-12

HEBREWS 6:11-12 NJB 11 Our desire is that every one of you should go on showing the same enthusiasm till the ultimate fulfilment of your hope, 12 never growing careless, but taking as your model those who by their faith and perseverance are heirs of the promises.

Too many people give up and accept defeat too soon. They are like a sports team that, just because it is not winning after the first half of the game, decides to go home and not even play the rest of the game.

It is always too soon to quit when you know you are going the right direction. How can you know you are going the right direction? By following the instructions and guidance of God's Word, the Bible, and being led by His Spirit. When you are doing God's will, keep on, no matter what.

PRAYER: I will continue to have a positive expectation because God is good and He is faithful.
