## DAILY DEVOTION DON'T GROW WEARY

**Pastor A.S.O Olaleye**

**23rd November, 2024**

GALATIANS 6:9 NIV 9 Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

God has a harvest of blessing in mind for you. Don't let the devil steal it away from you by discouraging you into giving up. Trust in God. He is able to put you over.

Time has a way of wearing us down -- of eroding our hopes and dreams. We must look to God for strength and courage and refuse discouragement. We must, with God's help, overcome -- instead of being overcome by life and circumstances.

Life is not easy. There are obstacles and unexpected turns in the road. But always God is with us, for us, and in us as believers in Jesus Christ. When we grow weary in doing good, it is always because we are losing sight of God and eternity.

As you walk in faith and refuse to give up -- you bring glory and pleasure to God. Imagine how it thrills God when someone, like you, continues to trust in Him and thank Him -- even when it does not look like it is working out very good. Read the Bible. You are not the first to be tested, or have to wait for the promise to be manifested. But God is always faithful. He will never fail you.

Our faith cannot be in ourselves or our ability -- because that can fail. Only God cannot fail, so we must keep our faith in Him and His ability to sustain us and help us.

Remember that as a believer, the Greater One is in you -- and He is greater than any problem or difficulty. He will help you. God has the answer for your situation. Look to Him and you will not be disappointed.

PRAYER:: I will not be discouraged. I will not quit. I will trust in Almighty God, my Father, Who loves me and helps me.
