DAILY DEVOTION LIFE IS GOOD

Pastor A.S.O Olaleye

25th March, 2025

God says that all He made is good.

GENESIS 1:31 NKJ 31 Then God saw everything that He had made, and indeed it was very good. So the evening and the morning were the sixth day.

The devil wants us to believe that life is bad.

(One way he tries to accomplish this is through all the bad news reported daily. Feeding too much on bad news is not good for you. You can get the top news stories without spending hours every day listening to the bad things the devil is trying to do in the earth.)

If you think life is bad, you will be depressed, or maybe even bitter.

If you think life is good, you will be thankful.

No matter what your circumstances are, there are always things to enjoy and rejoice about. If we focus on the goodness and greatness of God: all He has created and all He has done for us, life will seem good. If, instead, we focus on our pains and problems, we will not enjoy life much.

Even the bad things of life -- which are all the result of sin, not what God did -- can benefit us IF they cause us to draw nearer to God and act on His Word.

God's main purpose is to prepare us to be fit companions for Himself for eternity. (See Romans 8 -- we WILL be conformed to the image of Jesus Christ.) What God wants you to do is submit to Him, feed on His Word, be thankful, walk in faith, and let Him make you like Jesus Christ.

God's plan is good.

Marriage is good. If we disobey God by husbands not loving their wives, and wives not respecting their husbands -- it can be bad. But only because we make the wrong choice, to disregard God's instruction.

Work is good. It is satisfying to do a job well and accomplish something. But when we don't do our work as unto the Lord, or try to make our jobs our source, worshiping and serving money instead of God -- work can be bad.

Family is good. Being surrounded by those you love and care for, and who love and care for you, is a wonderful blessing. But, when we fail to walk in love, and allow strife into our relationships -- it can be bad.

If your life is not good, then you need to make adjustments based on the Bible.

Take time to smell the flowers, and rejoice in all the goodness of God. Rejoice in all the beauty of God's creation -- life.

PRAYER: God made life and it is very good, as I face life based on the will of God, it shall be good for me, Amen.
