DAILY DEVOTION

EVERY HAIR ON YOUR HEAD IS NUMBERED

Pastor A.S.O Olaleye

29th November, 2024

LUKE 12:7 ICB 7 Yes, God even knows how many hairs you have on your head. Don't be afraid. You are worth much more than many sparrows.

Jesus gave us some insight on how much God is interested in us as humans. God provides for sparrows, and you are MUCH more valuable to God than any sparrow. Valuable enough to monitor every detail about you -- even your current hair-count.

However God obtains your current hair-count -- He does know it. "Why would God waste His time with such useless information?" you may wonder. The point, which so many miss, is simply that God is interested in every detail of your life. Everything.

Nothing concerning you is too small to bother God. You are the "apple of His eye" just as any young child is the delight of a good parent.

So don't try to hide from God. Don't shut Him out of your life. Involve Him in every detail of your day. Talk things over with Him. Ask His advice. Tell Him what you think, and ask for His opinion.

And do not fear. The God Who loves you enough to monitor your current hair count will never forsake you or fail you. When you are face-to-face with Him you will see that fully and clearly. So walk in faith today. Trust God. He loves you.

Also, be thankful for whatever hair you do or do not have! God made you unique. If He wanted you different -- He would have made you different!

PRAYER: Thank You Lord for loving me and being concerned with every detail of my life. Because You love me, I will trust You and look to You for help.
