DAILY DEVOTIONAL

THE FUTURE BEGINS TODAY

Pastor A.S.O Olaleye

6th June, 2024

PHILIPPIANS 3:13 NKJ 13 ...one thing I do, forgetting those things which are behind and reaching forward to those things which are ahead,

Today IS the first day of the rest of your life. And it will be what you and God make it.

Your past does not have to dictate your future. You can begin again. With God you really can have a fresh start.

God can forgive your past -- and help you to forgive yourself. But most importantly, God can change you. He can make you into the kind of person you know you should be.

2 CORINTHIANS 5:17 NRSV 17 So if anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new!

Your life can be different. But don't think it will be different if you continue to do things exactly the same as you always have.

For your life to change -- you must MAKE changes.

If you want real change -- God's Word is the key. You must immerse yourself in the Word. What you feed in determines the output of your life.

ACTS 20:32 NLT 32 "And now I entrust you to God and the word of his grace -- his message that is able to build you up and give you an inheritance with all those he has set apart for himself.

God's Word will build you up. Jesus said it would make you free -- if you continue in it (John 8:31-32).

The Bible is God's answer to man's problems. It gives life and hope and instruction so we can walk in victory.

Prayer is also vital. Prayer is communication with God. All relationships require communication to keep from growing cold.

So, actively involve God in your life. Consult with Him on every decision. God is the best helper you will ever have.

JOHN 14:16 NKJ 16 "And I will pray the Father, and He will give you another Helper, that He may abide with you forever,

The future can be better. The choice is yours. If you invite and involve God in your future -- it will be bright!

PRAYER: I invite God into every area of my life for a better future in the name of Jesus Christ, Amen.
