DAILY DEVOTION

FAITH IS THE VICTORY

17th July, 2026

1 JOHN 5:4 NKJ 4 For whatever is born of God overcomes the world. And this is the victory that has overcome the world -- our faith.

Everyone loves to win.

Victory is sweet. As sweet as victory is, the truth is that it's not easy. Victory takes effort -- often great effort.

Effort is also required in the spiritual battle of good against evil we are all engaged in. But the effort required of us is to maintain our attitude of faith in God and in His Word.

We cannot overcome the strategies of the devil by our willpower, or by our own strength. We must use the spiritual weapons God has provided for us.

As a child of God -- you are a winner! The victory is already yours through what Jesus Christ did on your behalf. Don't let the enemy steal the victory away from you.

Your enemy comes to steal your faith. Don't let it happen. Take what CHRIST has provided for you...victory and Life abundance!

Prayer: I overcome and walk in victory by my faith in God and I have Life in abundance in Jesus name, AMEN!
