THE MYSTERY OF LIGHT

Pastor A.S.O Olaleye

Text: John 1: 4-5

November 1, 2022

What light comes to do is that it gives authority for ridership and power to crush the enemies. The problem and the challenge some of us are having is the darkness at work.

There is a need for light to shine upon that problem or challenge to fade away and crumble.

Prayer- Tell God, shine your light on the problem in my life.

What is Light?

Light is electromagnetic radiation within the portion of the electromagnetic spectrum that is perceived by the human eye.

What is light in the Bible?

Biblically, light is a symbol of holiness, godliness, wisdom, knowledge, grace, hope, and God's revelation.

If one of that lights symbolizes goodness it means that God is light, and the opposite of God is the devil just as we have good and evil. God the light is the one who rules over darkness.

That is why light was the first creator's work, manifesting divine operation in a world that was darkness and chaos.

The story of a damsel who went to a prayer meeting and the minister of God thought she came to the meeting to trust God for a contract because of the way the lady looked.

But the man of God was supposed to hear that she was trusting God for a husband. The man of God said unless every man in her community or where she works is blind for them not to know or see that this is where God perfected.

What is called beauty and wonderful creature as the Bible says.

She was asked about her age, and she was 38 years old, the man of God was forced to ask if she was locked up somewhere till that time which made men not see her because her beauty was too much.

She added that no man talked to her or ask her out in the past seven years. That was when the man of God released that it is not about beauty but about light.

Prayer - Brethren marriage is not about beauty and not about spending money on eyelashes and the anti-physical way of beauty is about light and favor.

After all, there was an economy Esther has that made her beautiful before the King, that even made her break protocol and was favored.

There is a story of a man who started a Ministry in Abuja sometime ago. They gathered 100 million naira and entered a city that they have come to take over the city.

He asked for a billboard, and he paid. He asked for land instruments and others, and he paid. They started after 4 months, and they became 3 he tried after that, but he could not succeed.

That is to say, what we need to start a Ministry is not money but light.

PRAY FOR THE GCBO

Brethren, you need to understand the mystery of light before you take any step in life.

Before you take that course of study check the light.

Before you do that business check the light.

Before you marry that man or woman check their light.

Listen to me, if I knew this is where I would end my career, on the altar of God, I would have not wasted my time studying accounting.

There is nothing wrong with schooling but I would have schooled in line with God, theology at the university.

Brethren, when you are in the wrong direction speed is not an advantage. For example, if I am going to Ibadan and I get to shagamu interchange then turn right to ore and face east, even if I am going 250k miles per hour can it be an advantage but I can not get there unless I make a U-turn.

The light I need in that journey is to know and have an understanding of the road that when I get to shagamu I must not take right but head straight to arrive at Ibadan.

Prayer- O Lord shine your light on my path in the right direction.

What does Light do?

1. Light gives you authority over the devil Job 38:3-4 What gives you the power to change things is the measure of light that is in you. If you have no light you have no authority in the realm of God. John 1:4-5 every time light comes to you, you become an authority. When you interact with light you begin to exercise authority.
2. Light crushes the enemy. The devil will remain a terrorist in your life until light comes. The moment light comes the devil will disappear.

There are some people in their family, whose appearance alone solves problems in the family.

They only appear they have not spoken and the whole family members know that their problems are over because the light they carry is a witness in the realm of the spirit. 2 Thessalonians 2:8

The authority of darkness ends in the light.

The non-negotiable reality is that whenever light is present darkness gives way.

Therefore, before you embark on anything in life ask for the light of God.

You have been doing a particular business and it is not going well, it means there is a darkness that you need to invite light into it.

There is a story of a man who started a printing press business and he was not doing well. He decided to invite light and he organized 7 days of vigil inside the house of the business, on the last day of the vigil the Spirit of God came upon a boy who followed his parent to the vigil through the light of God.

The boy started to prophesy that the elders have been praying the wrong prayer but for their prayers not to go in vain, they should begin to dig where the boy was standing. As they started digging, suddenly they got to where a pot was under the ground with a tortoise inside the pot. The pot was broken and the tortoise was burnt. That very week the man started to make unexpected profits. why? Because the light of God has come and shine on that place and the business.

Prayers

1. The deceptive darkness of my life, the light of God shine on it and let it disappear.
2. The chameleons of friends of darkness, oh Lord let there be light to separate us.
3. The deceptive conspiracy against my success light of God appear and let it fade away.
4. Smiling enemies that are against my destiny light of God expose them by fire.
