For most of us, these past years even January to August was like a dry wasteland!

So much loss and pain, with social, economic crisis insecurity and political unrest.

But in this new month, be ready for a new beginning, to turn the page for a fresh glorious living.

This is the promise from God in in the book of Isaiah. He says, "I am about to do something new. See, I have already begun! Do you not see it? I will make a pathway through the wilderness. I will create rivers in the dry wasteland."
