OH LORD OPEN MY EYES TO SEE YOUR LIGHT

Pastor A.S.O Olaleye

Text: Psalm 119:18

November 2, 2022

From the scripture you should know that the kind of eyes that will see wonderful things cannot be this physical eyes.

If anyone does not have this kind of eyes he/she will not be able to see the light to know what he should know or understand.

Luke 24:31 Jesus was walking with the disciples but they did not know him until their eyes were opened. Not until your eyes are opened spiritually, you cannot see the light of God.

Luke 6:39 Whoever lacks the light of God is a blind man and whoever that man leads will also be blind.

Revelation 3:17 What the Bible is saying here is, it is possible for someone to be rich and wealthy but spiritually poor, miserable, naked, and blind if he has no light of God.

It is not everybody that looks that sees.

Also there are three levels of sight or eyes.

1. **Physical/Natural Sight:** The Bible says "If your physical eyes will make you stumble or lead you to hell you should pluck it out"
2. **Mental Sight or Eyes:** 2 Corinthians 4:4 the eyes of the mind.
3. **Spiritual Eyes or Sight:** This is the ability to see spiritual things. 2 Kings 6:8-19

The living dead Christians see with physical eyes only. If you cannot see with spiritual eyes there is a problem.

PRAYERS

1. Oh Lord, open my spiritual eyes this month to see the light of God.
2. Every covenant of blindness attached to my eyes breaks in the name of Jesus.

Elisha prayed to God to open his servant's spiritual eyes and he also prayed to God to send blindness to the enemies.

WHAT HAPPENS WHEN YOU ARE SPIRITUALLY BLIND

- Your spiritual vision will be zero.
- A man cannot take fish or snake to a marriage committee and say I will marry this.
- You will employ the head of witchcraft in your village as house girl.
- A vehicle will be marked with blood for your accident and you will enter.
- Your dreams become attacks because you can't not see them.
- You will ask for revelation and get attacks because you do not know that difference.
- Where you get comfort, you get discomfort. Where you get plenty, you get lack.
- Where you get love and favors, you get hatred and shame.
- The Lord will set a table before you in the presence of your enemies and you will kick the table away with your own legs.
- Your enemies will be prophesying negatively and you will be shouting amen.
- Where you are to go far, help will disperse the place.
- Where you are to have freedom there will be bondage.

There was the story of a woman who was going from house to empty dustbin looking for remnants of food. There was a young man who God inspired to say somewhere to watch very well. The young man realizes that the young woman was looking for sanitary pads for menstruation of careless women who normally drop it in the dustbin. After the woman had finished, she sat in a corner and started licking and sucking out the blood out of the pads. The young man approached her, she was arrested and she confessed.

- Those who are supposed to be your friends will be your enemies.
- You will receive every gift given to you.
- You could chase away your angels of blessings.
- You will run away from your destiny helpers.

But when your eyes are opened you see the light and it will shine on your way for breakthrough.

OH LORD OPEN MY EYES TO SEE YOUR LIGHT

It will prevent you from unnecessary injuries.

When your eyes are opened you will be able to detect the truths from errors.

When your eyes are opened there will be revelations.

When your eyes are opened darkness will be exposed and the agents of
darkness will fear you.

Guidance is provided for you and safety is sure.

When your eyes are opened you will be empowered.

WHAT ARE YOU TO SEE WHEN YOUR SEE ARE OPENED

There are five important things you need to see when your eyes are opened.

- Is to see who you are: you need to see who you are, have an understanding of who you are. Some people don't know who they are but their enemies know, it is a tragedy.

Prayer- Oh lord show me who I am so that the root of my failure will be exposed.

Jacob knew one day that his name needed to be changed and he did not let
the angel go until he changed it to Israel.

Some of you don't know that you are not supposed to allow anyone to touch
your head anyhow because of who you are.

The story of a baby who will always cry when they touch her hair. Story of the
salon that makes more money after closing.

- Is to see God; you need to see and know God whom you serve. You need to see God and know His greatness as the Almighty.
 - Is to see the enemies; you need to see and know when the enemies are coming, to know what to do, to fight or to dodge.
 - To know what you are to do here on earth; you need to know the reason why you were created even as a Nigerian.
 - Is to see where you are going; you need to know where you are going after your journey here on earth because death is not the end of man. There is a place for every man and woman to end up after death either heaven or hell.
- The last thing Christians should see and know is that rapture will happen soon whether you like it or not.
