THE END OF THE YEAR BLESSINGS

Text: Genesis 17:1-7

There is something about the End. Every prophecy is fulfilled at the end.

Proverbs 23:18 For surely there is a hereafter, And your hope will not be cut off.

Many people give up too soon and they make many feel that God is not working the truth is God is always working but most of the time you see the result in the end.

The Bible says, "Greater is the end of a matter than the beginning thereof".

Listen to me I don't know how small your beginning might have been but I am too sure that the end shall be greater.

Hear this again, January might have been small for you, June might have been worse, things might seem to have been getting better in September, but right now things are at its worst now but end of this year shall be to you a month to be much remembered for good.

God will always save the best for the last. In John 2, Jesus was in a marriage feast when the wine got finished until a miracle happened then the sweetest wine began to flow.

The sweetest thing happen when it looks as if your hope has ran out or when it seems your case is finished.

In that marriage feast no doubt many people would have left, but the wine came. Your wine is coming.

Psalms 65 vs.11 says that the Lord shall crown the year with goodness and the paths shall drop fatness".

I want you to believe what I am telling you by the spirit.

Its not yet time for you to give up.

Instead of giving up all you have to do is to look up.

In this December period there shall be unending commotions of blessings in your life.

In simple terms there shall be restoration of your long awaited and missed blessings.

The latter rain is about to fall alongside with the former rain.

I am hearing so clearly in my ears the sound of Abundance of Rain.

You will not miss your rain in Jesus Name Amen.
