YOUR ATTITUDE IS ALWAYS YOUR CHOICE.

For instance: Two men are in prison. One looks out through the bars and sees only mud. The other looks out through the same bars and sees the moon & stars. They are both in the same place but the difference IS THE ATTITUDE OF CHOICE. Without a doubt, the human mind is the most awesome creation of God. With it, God has given us the ability to think, to reason and to choose whether we will focus on positive thoughts or negative thoughts. In every one of our lives there is the positive and the negative. The choice as to what you will focus on, feed on, and nurture is up to you. One thing is sure, you can't choose what will happen to you today (it's beyond your control) – BUT YOU CAN CHOOSE YOUR OWN ATTITUDE for today. We have the power to decide how we will respond to what happens to us.

A man was maltreated by soldiers, they took everything on him including his wedding ring and left him empty.

At that moment the man said that he realized he was destitute except for one thing... He still had something that no one could take away from him, he still had the power to choose his own attitude. And he chose to not give that attitude to his enemies. He chose joy, he chose hope, he chose to be positive and to forgive.

In whatever happens, make sure you don't allow anything to claim your joy.

ATTITUDE IS EVERYTHING!

Maybe right now you are feeling broken, your life has taken way too many turns for the worse. A lot of things have gone wrong. It seems like everything has fallen down on top of you. You're weary, overwhelmed and your hopes & dreams are fading fast. I know from personal experience that it is not easy when the stuff of life hits you on the head, knocks you down and then kicks you in the stomach.

But in such times you must remember that there is something that your situation can never take away from you – your power to choose your own attitude.

Listen to me brethren, no matter how challenging life may be to me, I choose to be positive in my attitude.

Those who know me personally, they know that I will always speak something positive in any given situation.

MORNING DEW

No matter what has happened to you (some of you have had tough times; bad marriages/relationships, health...etc), the attitude choice is still yours.

And understand that Jesus Christ wants to help you choose and cultivate a positive attitude. I find it both interesting and tragic that the one thing that no person or circumstance can ever take away from us, the awesome power to choose our own attitude; is usually the first thing we give away.

For you to blame our bad attitudes on another person or on a difficult circumstance is simply a cop-out. And If we allow events and people to cause us to be negative we are only hurting ourselves more because in addition to everything else we are now forced to live with the effects and misery our bad attitudes will bring.

YOUR ATTITUDE REVEAL THE REAL YOU
DETERMINES THE SUCCESS OF EVERY RELATIONSHIP
IS ALWAYS YOUR CHOICE
