Provoking supernatural blessings

Text: Luke 6:38 (NLT)

Provoking supernatural blessings is the ability to stimulate the release of God's treasure upon the believers.

Provoking supernatural blessings means stirring up favour from God through the application God's word in order to alter the natural course of events.

Luke 6:38: "Luke 6:38 Give, and it will be given to you: good measure, pressed down, shaken together, and running over will be put into your bosom. For with the same measure that you use, it will be measured back to you."

God's hand is always moved to bless His people through giving. Givers are always rewarded according to their giving, that is why givers never lack.

People who do not know this will continue to suffer in poverty, while those who understand the principles of giving enjoy God's blessings.

The truth is that there are abundant resources in Heaven.

Listen to this, God made Nigeria a Canaan Land, where both human and material resources, including oil and other mineral deposits, abound in tremendous quantity. Nobody in this country should have any reason to complain of lack.

But unfortunately, people are suffering because they do not understand the principle of how to move God's Hand to bless them.

If you give, you will be given and mightily blessed, but if you do not give, you will not be given and there is no blessing for you.

HOW TO PROVOKE SUPERNATURAL BLESSINGS:

1. Renew your perspective.

Your thinking must agree with God's Word in order for you to enjoy supernatural blessings.

Let God's word form the basis of your thinking pattern.

To get blessed in life, you must have the mental picture of your glorious future.

Stop seeing where you are now, start seeing where you want to be.

2. Pay your tithe faithfully.

Tithe is the supernatural divine connector to God's blessing.

To provoke supernatural blessings, you must be a consistent tither and a cheerful giver.

When you are not faithful in your tithing, you come under a closed heaven.

The tithe is the 10% of your legitimate earnings as ordained in the bible.

Tithing releases God's blessing on you. It makes you come under open heaven - Malachi 3:10.

Tithing reveals your level of humility.

Tithing envelopes you with God's divine ability.

It is a proof that you have conquered greed.

3. Working

2 Thessalonians 3:10 For even when we were with you, we commanded you this: If anyone will not work, neither shall he eat.

Your level of commitment to God's gift determines your level of prosperity.

Commitment is the secret of every career.

Give it what it takes and you will excel and prosper.

No career is more demeaning than the other.

4. Sacrificial Giving.

Sacrifice also provoke God's blessings.

We should know that sacrifice evokes the spirit of covenant blessing.

Whenever one makes a sacrifice toward God's work, it surely attracts the attention of God who appreciates the good work with a blessing even more than the measure of the sacrifice.
