WAR AGAINST EVIL ALTARS

Pastor A.S.O Olaleye

Text: Judges 6:25-28

October 28, 2022

Introduction: There are God alters and there are evil alters

- The altar of God is a raised area in the house of worship where people can honor God with offerings and sacrifice.
- It is called God's table in the Bible, a sacred place for sacrifices and gifts offered to God.

WHAT ARE EVIL ALTARS?

An evil altar is a place where many evil things like infirmities, curses, failures, etc are projected into people's lives.

- The evil altars are the hidden places in the spirit realm.
- The evil altar is an invisible entry point that grants forces of darkness access to people's lives by partnering with enemies.

TYPES OF EVIL ALTARS

1. Sexual perversion altar
2. Infirmary sickness
3. Familiar Spirit altar
4. Poverty altar
5. Witchcraft alter
6. Herbalist
7. Depression stress
8. Barrenness
9. Premature death etc

One important fact about evil altars is that there is a chief priest as the builder of the altar. That's why even if you think the agent/high priest is dead, the altar has not broken the problem continues.

When the agent or the wicked one in your mother's or father's house is dead and people still experience the same problem it is because the priesthood is dead but the altar he built is still alive. The altar has to be broken.

WAR AGAINST EVIL ALTARS

The solution at times is not to kill people, the solution is to break the evil altar from the foundation.

The solution is a spiritual fortification.

This is why some people run out of the country and they still meet with failure over there, it is because the altar is waiting for them even at the border of the country they ran to.

That is why people who don't know you treat you mercilessly, it is the evil altar that is manipulating them against you. When they go and come back after some years the people in the village will be better than them.

Evil altars speak vengeance but the altars of God speak better promises.

Don't live your life as if things will work out for you by chance, No! If things will work out for you, you will have to create it.

This is why God created you, you must create your world by not allowing evil altars to pull you down.

Listen, the devil will not leave you because you are anointed.

Satan has no regard for the anointing you have to wage war against him.

Can you compare your anointing with that of our Lord Jesus Christ? Why did Satan attempt him?

This is why the Bible says we should put on the armor of God because there is an altar waiting to destroy your destiny, calling, business, ministry, career, etc.

At the time you get married to a beautiful woman and immediately after the marriage things started going down. It is an evil altar.

And if care is not taken, one prophet who is not sound with the word of God will say your wife is the cause because it happened immediately after your marriage. You have to be careful not to break your marriage but to break that evil altar that is scattering your finances.

There is no doubt that the woman or man may be the reason for what is happening after marriage because of the evil altars that came with both couples. This is what you need to fight and not yourselves.

It was after Jesus fasted for 40 days and nights that Satan came to tempt Him and thank God that Jesus was aware of his strategy and Christ overcame him with "It is written"

You and your wife just finished fasting and praying and that is when you people started having bad dreams. It is an altar, you are already victorious.

When the devil says go and marry another wife. No sir because if you marry another wife the altar is still there, break the altar.

Some ministries are being destroyed by evil altars.

Businesses are destroyed by evil altars

You are about to get promoted in your office all of a sudden your files and documents are missing, evil altars.

You took a loan to buy a car or a land property but you don't know how the money goes, evil altars.

You are working and receiving a salary but know how the salary got finished? Evil altars.

In the journey of your life, you have not seen anyone helping you in anyway no matter how little it is. Evil altars.

How to break evil altars

Text: Deuteronomy 12:3

How to break and destroy the evil altars

- * You must pray in the Holy Spirit.
 - * You must pray with the word of God.
 - * You must pray in the middle of the night
 - * Some people will be going from ministry to ministry, church to church thinking the churches are the problem, no it is the altar.
 - * Altars are behind every generational curse.
 - * Some families no matter how they struggle nothing to show for it.
 - * For some families, it is late marriage.
 - * For some, it is an untimely death.
 - * Some people hate them
 - * Some families never receive favour from God or man, it is an altar.
- Tonight, we are going to break through prayers that are going to break every evil altar.
