Staying Calm in an Uncertain Future.

Exodus 14:13-14 (NLT)

"And Moses said to the people, "Do not be afraid. Stand still, and see the salvation of the Lord, which He will accomplish for you today. For the Egyptians whom you see today, you shall see again no more forever."

The Lord will fight for you, and you shall hold your peace."

You can imagine how happy the people of Israel will be during their exodus from Egypt.

They'd been slaves for over 400 years. Then, a leader rose among them named Moses, and he was commissioned to deliver them out of Egypt and take them to the Promised Land.

The interesting thing is that the very God who would perform all the miracles to get them out of Egypt told Abraham earlier that the Israelites would be enslaved in a foreign land, but, after 400 years, He would deliver them with great wealth! That prophecy is in Genesis 15:13-14 (NLT). "Then the Lord said to Abram, 'You can be sure that your descendants will be strangers in a foreign land, where they will be oppressed as slaves for 400 years.'"

With this promise they would have known that deliverance was on the calendar year of 400yrs at least.

The God who was with them in the present was the same God who gave the promise to Abraham in the past, and He is the same God who is in the future! He knows the beginning from the end.

In the same way we have been in captivity in our own nation for long time and we have been praying to God to deliver us.

But now, with the change of government is like we are stocked now, we don't even know what is going to happen next.

God ask me to tell you to be still and calm, it shall be well in Jesus name.

When millions of Jews were led by Moses out of Egypt, they didn't go empty-handed! Even though they were poor slaves, God caused the Egyptians to look upon them with favor and give them their wealth!

Exodus 12:36 (NLT) "The Lord caused the Egyptians to look favorably on the Israelites, and they gave the Israelites whatever they asked for. So they stripped the Egyptians of their wealth!"

Just as God told Abraham over 400 years before! They would leave with great wealth!

On their way, then they found themselves at the Red Sea.

They were stuck and couldn't go back to Egypt, and they couldn't go forward into the sea! So, they began to turn on Moses and Aaron, complaining that they were all going to die! The whole Egyptian army was chasing them, and there was no place to turn.

This is where God is going to teach them how to access His power for the future and remain calm in uncertain circumstances.

In Nigeria now also, we are in the same situation of uncertain future in the hands of our leaders.

Look at what Moses told them again in Exodus 14:13-14 (NLT). "But Moses told the people, 'Don't be afraid. Just stand still and watch the Lord rescue you today. The Egyptians you see today will never be seen again. The Lord himself will fight for you. Just stay calm.'"

God did not lead them out to die on their way to the Promised Land.

When Moses turned to the Lord in prayer, God told him what to do with the rod in his hand.

That is why we need to pray to God to have His way in the life of our leaders so that God can reveal to them what to do in a time like this for solution.

God knew the present and the future for His people, then, He knows the future He has for us in Nigeria.

You can trust your future to the God who is already in your future.

The prosperity and destiny fulfillment of the children of God is not in the economy of any nation.

That is why God promised that wherever our legs step He takes it for us as possession.

Despite the way things are going, I can see some of us outside this country very soon and wherever you go, God will take it for you as possession and make it your promised land.
